CAREER OBJECTIVE

To pursue a dynamic and growth-oriented career in a challenging environment where I can leverage my skills, knowledge, and passion for technology to make meaningful contributions to the success of a reputable organization.

EDUCATION

B.Tech – Information Technology

R P Sarathy Institute of Technology

CGPA: 9.00 (Till 4th Semester) 2022-2026

Higher Secondary School

Jay Matriculation Higher Secondary School

Percentage: 88.5% 2021 - 2022

Secondary School

Jay Matriculation Higher Secondary School

Percentage: 95.4% 2019 - 2020

PROFESSIONAL SKILLS

Front-end Technologies: HTML, CSS, JavaScript, React

Back-end Technologies: Node.js, Express

Database: SQL

Programming Languages: Python

Developer Tools: GitHub, VS Code, CLI

-- Certificates

SOFT SKILLS

Time Management

Leadership

Collaboration

Problem Solving

OTHER PARTICIPATIONS

Paper presentations

1st in SAEINDIA Round 1 at KSR and participated in Round 2 at CIT. Also participated in Symposiums at Hindusthan and Shreenivasa.

Debugging

1st at Shreenivasa and 2nd at KSR (Symposiums).

Python Programming

1st in my college competition, 1st in SAEINDIA Round 1, and participated in Round 2.

Technical Quiz

1st place and also participated.

Workshops & Learnathon

Guvi's Learnathon, SAWIT.Ai, and GenAI workshop.

Conference & Hackathons

Participated in Smart India Hackathon.

PROJECTS

Browse History:

Developed a responsive React app with components for managing browsing history, featuring search and delete options. Designed an intuitive interface ensuring smooth user interaction across all devices.

Todos Application:

Created a responsive To-Do List app using HTML, CSS, and JavaScript, featuring task management with local storage to persist data. Designed for seamless user experience and efficient task handling.

Typing Speed Test

Built a Speed Typing Test which help users measure and enhance typing speed. Provided real-time feedback for an engaging and interactive experience.

INTERNSHIPS

Web Development & Designing

Completed a 5-day internship at Prompt Infotech Coimbatore, gaining hands-on experience in core web development skills. Demonstrated proficiency in HTML, CSS, JavaScript, interactive features, and responsive design principles. Focused on UI/UX design and mastered basic web development tools and technologies.

My SQL Internship

Completed a 6-day internship at Microsun Technologies focused on MySQL database management. Gained hands-on experience in relational databases, writing complex queries, and performing data manipulation tasks. Learned best practices and database performance tuning. Worked on real-world scenarios involving database creation, data retrieval, and ensuring data integrity in MySQL environments.

Full Stack Development

Completed a 5-day internship at Optimus Technocrats, gaining hands-on experience in both front-end (HTML, CSS, JavaScript, React) and back-end development (Node.js, Express, MySQL). Worked on building dynamic web applications and integrating front-end with back-end systems.

LEADERSHIP & EXTRACURRICULAR ACTIVITIES

Coordinated a Symposium at RPSIT

Organized Fresher's Day event

Conducted an Event at RPSIT
